

Making History

July 2022

We are celebrating an exciting milestone in Grant Brothers Sales history. We have acquired the assets of a heavy-duty agency, TransCanada Sales. This acquisition will support the growth of our HD division and further strengthen our services and our commitment to our partners.

Founder, Tony Stenner's vision was to start an agency with reliable sales service the heavy-duty market could count on. Originally established as Cascade Marketing in 2005, switching focus to reach a national level, changing the name to TransCanadaSales in 2010. Dedicated to the industry, Tony's grassroots philosophy was to provide professional training and product knowledge to every Truck Fleet and Truck & Trailer repair shop across Canada.

"My vision for TransCanadaSales was always to provide the best service possible. With Grant Brothers Sales' pull-through strategy and full-service capabilities we will strengthen our commitment to vendors and customers in the heavy-duty industry." - Tony Stenner

"We are all very excited to be adding this amazing team to the Grant Brothers Sales family. This expansion will allow us to increase our reach in the heavy-duty markets across Canada." - Adam Crisp
